### SEASON 2 WINTER INTERMISSION:

With that cliff hanger, Pig & Penguin and the crew are taking a winter intermission. P & P will be attending the big math conference in Seattle (they do math on the side), they will partake in season joy with friends, family, and all, as well as handle matters of recent tabloid sensationalism - which seem to have gotten out of hand. P&P and gang wish joy, and peace, and good will to one and all.

Pig & Penguin will indeed be at the mathematics meetings in Seattle! (Lindy Elkins-Tanton Turner Bohlen Liz Casey )

**\*\*Pig and Penguin are tiny travel companions to James Tanton, MAA mathematician-at-large. At MAA Math-Fest 2015, they squabbled—to the amusement of their audience—during a session they were presenting. The tiny pair has covered a lot of ground (admittedly, more in pursuit of lettuce than mathematical enlightenment; read their story at [bit.ly/1TleOOH](http://bit.ly/1TleOOH)). See if you can capture proof that they were in Seattle for the Joint Meetings as well.**

Send snaps (as many pixels as possible) to [maafocus@maa.org](mailto:maafocus@maa.org) by the end of January. Submitting a photo means you're willing to have it and your name appear in *MAA FOCUS* and online. 📷

**Lindy Elkins-Tanton** Jeffrey J Cohen there has been a terrible misuse of a simple product endorsement deal for the "Miracle Magnifier" -- investigative reporting, inschmestigative reporting, I say.

**Jeffrey J Cohen** Lindy and James I feel as though I should have disclosed before I stayed with you back in December that I was on the payroll of a tabloid hoping to expose some scandals behind the P&P franchise. As it turned out my exposé of Pig being a pig was not the big news I thought it was.

**Lindy Elkins-Tanton** Jeffrey J Cohen Now, Penguin, on the other hand....is he experiencing a feather pigmentation illness, or does he have a problem with skin creams?

**Lindy Elkins-Tanton** P.S. We'd prefer that we use the phrase "generous" pig in place of any more judgmental body image adjectives.

They'll start be putting together a review chart of what happened in P&P: Season 2, Part 1.) (Lindy Elkins-Tanton Turner Bohlen Liz Casey )
